

FINAL AD FOR PHOENIX

\$1000 REWARD!!

We'd like to say thank you to the Herald and it's readers for all the tips in our search to find our Phoenix. He is **STILL MISSING**, and we are truly heartbroken with his loss. We will continue to search for him until he is found!

It is likely that somebody has found him and either doesn't know how to reach us, or has fallen in love with our Phoenix. If so, we would love to have our Phoenix back, no questions asked, and we would gladly purchase them a Papillon puppy for their own.

Please cut out this ad and pass it around to people you know. Give it to everybody and anybody you can to spread the word. Any help you can give is appreciated.

Please call (206) 718-2083 with any information regarding Phoenix. You can also visit a web page at www.argusranch.com/PhoenixSearch.html for more information.
