

Thank you for entering the Boston Terrier Club of America's February AKC agility trial at the Grays Harbor County Fairgrounds in Elma, WA. Below, you will find your entry information. Please check it for accuracy, and notify the trial secretary of any corrections or changes. My email is, r2agility@verizon.net, or call me at 425-788-2247.

A measuring official is scheduled to be at the trial. If we do not have your height card info on file, you will need to be measured before you can run. The running order is on the back of this confirmation. If you are scheduled to work, a workers schedule is also included. There is one number provided for the entire weekend. If you have paid for camping, you will find an RV parking pass enclosed with your confirmation.

One important note, the Saturday Novice Standard Preferred class will be judged by Sherry Porter. If anybody entered in this class wishes to pull their entry for Saturday due to this judging change, please provide written notification to the trial in order to get a refund.

We are offering International Standard and Jumpers classes this weekend. Due to input from the AKC regarding running orders for international classes, we have scheduled them as the final class of each day.

We are looking forward to another great agility trial with lots of Q's to all.
