Welcome to the McKenzie Cascade Dog Fanciers and Eugene Kennel Club agility trials!! Above is your confirmation information. If this is via email, note that it is your only confirmation. Please review this information and notify me ASAP with corrections at r2agility@verizon.net or 425-788-2247.

The deadline for move-ups is Monday, May 23rd at noon. Day-to-day move-ups are allowed at the trial. If you have not sent in a height card, you may need to be measured or show your card before you run or get your armband. Armbands will be available in notebooks on a table near the score table. Please make sure that you have your armband and that we have seen your height card before you run.

RUNNING ORDER: A detailed running order will be mailed/emailed and is available at www.r2agility.com. We start at 8:30 AM STD, and 9:00 AM JWW each day. The rings orders are STD (Exc, Opn, Nov), JWW (Opn, Nov, Exc). Small to tall on Friday and Sunday. Tall to Small on Saturday and Monday. ISC will run on Friday and Sunday after the last class.

MEASURING: An AKC rep is scheduled to be at the trial, so official measuring will be taking place. If you do not have an official measurement, you will be required to get one. This is also a good time to bring your young dogs to be measured.

Good luck! And we'll see you there!!!

Thank You, Robin Cohen
Trial Secretary
