

Running Order and Class Information

Puyallup Valley Dog Fanciers
Western Washington Fairgrounds, Puyallup, WA

Judge(s): John Senger and Cindy Mildbrand

Running Schedule: First dog on the line for the FIRST class will start as indicated each day with subsequent class start times approximated. **Note that all days start at 8:30 AM for the Standard ring and 9:00 for the Jumpers ring.** Times shown in the chart are approximate judging start times. There will be walkthroughs and course building time before each class. The Excellent classes will have split walkthroughs.
Preliminary running order contingent on move-up entries not yet received.

Approximate judging start times. Be sure to get there early in case we are running ahead of schedule!

Workers schedule will be available next week when completed at www.r2agility.com. It will be emailed to all volunteers. The Chief Ring Steward will be coordinating the final schedule at the trial and will be using the white board for sign-ups. If you are not on the limited schedule sent out, please write your name on the white board for the class(es) that you can help with. **We appreciate your help at the trial and lunch will be provided for workers who work two classes or all of an excellent class.**

Change of Ring Location in the Fairgrounds

Due to a delay in reseeding the grass area behind the grandstands, we must move the rings to another grass location within the grounds. We are moving to an area near the roller coaster, closer to the Orange Gate. The crude picture below shows where the grass area was supposed to be, and the new location. ***There will be crating space near the rings, and in nearby grass areas as well. However, since we don't know exactly where the rings will be yet, do not set up in the ring area until AFTER the rings are placed. No setups are allowed within 15' of the ring boundaries. If your setup is in the way, we will move your stuff!!***
