

Sample Confirmation – prelim email from 1/7/06

Welcome to the Portland Rose City Classic! Above is your preliminary confirmation information. Please review this information and notify me ASAP with corrections at r2agility@verizon.net or 425-788-2247. This information and other info will be available at www.r2agility.com.

You will receive a paper confirmation with running order information in the mail. You will also receive an entry sticker for each dog for each day entered. You will need this sticker to gain access to the site.

SETUPS & CRATING: The flooring is scheduled to be laid down on Thursday so please keep that in mind when coming to set up. Crating space is VERY LIMITED around the agility rings. This trial is basically full all days, and there are a lot of dogs. If you can stack crates, please do so. No X-Pens are allowed without multiple dogs. We're asking that exhibitors do everything that they can to pack tightly and honor the fire/security instructions for the Expo.

START TIMES: Due to scheduling concerns with the other events, we need to be done by 3PM each day. Sooooo, we have an early start. Std Ring will start at 7:30 AM (Exc, Open, Novice). Jww Ring will start at 8:00 AM (Open, Novice, Exc). ISC will be in the first available ring and will start when the last regular class finishes. We will be running rings at the same time. Friday/Sunday is small->tall, Saturday is tall->small.
