Judge: Paula Ratoza

Height Order: Small to tall on Friday and Saturday, Tall to Small on Sunday.

Class Schedule: Friday: Exc Std, Exc Jww

Saturday-Sunday: Exc Std, Exc Jww, Open Std, Open Jww, Novice Std, Novice Jww

This is a new schedule for us in the Pacific NW and it's been working out very well ☺. We're hoping that this will give you a chance to plan your day and show schedule, especially if you're doing other events at the show.

Start Times: The following times are the **earliest** that each **STD** class will begin (**first dog on the line**, not walkthrough). The **JWW** classes will follow their respective **STD** class. It is possible that the **Open** and **Novice** classes will start a bit later than these times, but not earlier. These times are posted to try and help exhibitors schedule their days a bit better.

	Friday (small to tall)	Saturday (small to tall)	Sunday (tall to small)
Exc Std	4:00 PM	9:00 AM	8:30 AM
Open Std		12:30 PM	12:00 PM
Novice Std		2:00 PM	1:30 PM

Conflicts: We realize that this is a very busy show and we'll make every effort to accommodate conflicts with other show events. If you have a conflict, you **MUST** inform the gate steward before your normal run time so changes can be made. **Please let us know if there is a conflict so that we can help.** Once the rings have been torn down/changed, the class is officially over and you won't be able to run.

Walkthroughs: There will be split walkthroughs for **Exc Std**. There will be short "refresher" walkthroughs for the small and tall **Exc Jww** class. All other classes will be a combined walkthrough. There will be plenty of walkthrough time for each class, so don't worry.

Veterinarian: (on Call) Evergreen Veterinary Hospital - 14423 124th Ave. NE, Kirkland, WA. (425) 821-9040

Workers Schedule: We will be using the white board signup at the show (please help out where you can ☺). The new schedule might affect the volunteer situation a bit, but since we're running 1 ring at a time, it should be OK. If you can help out with some of the class(es) that you're not running in, we'd appreciate it. **REMEMBER:** This is a **Joan Cook** trial for workers lunch on Saturday and Sunday!!!!. Help out a class, and you can plan on a great lunch and snacks!!!

Moveups: The deadline for moveups is Monday August 21st at noon. Moveups must be received in writing or email by that deadline. Day-to-Day moveups are being accepted for Saturday and Sunday.

Shade Info: The fields don't have any shade anywhere near the rings. Please plan to bring shade for yourselves and your dogs. **There will be a water hose and/or pool available to help cool the dogs down.**

Day Parking: Day parking is in the agility area on the soccer fields **ONLY**. There is absolutely **NO** parking in the general Marymoor parking lots for any dog show events.

RV Parking: The RV parking is for self contained vehicles only. Please note: There are **NO** hookups at this site (power or water). RV parking for agility is in the soccer field area only by previous reservation. See the premium for more details. You can download one at www.r2agility.com.

Limited Shuttle Svc: The agility area will have limited access to a golf cart to help ferry people between the conformation and agility areas. This will be on an as-available basis. Please check with the score table for information on the shuttle to other show areas.

Congestion Alert: There is a Breast Cancer awareness walk scheduled in the park for Friday morning. The people should be well clear of the agility area by mid-morning, however there might be some traffic revisions. There is also an event scheduled for the velodrome (East of the main show area) on Friday evening. Please be aware of these events and plan a little extra time getting in and out of the Marymoor park area.
