## CHECK IN AND STARTING TIME

Early check-in on Friday evening will be available between 6:30 to 7:30 PM for dogs with permanent USDAA cards and dogs that do not need to be measured. Saturday and Sunday check-in will be from 7:15 to 8:00 AM for all dogs with a CMJ available throughout the weekend at certain times. You must present your USDAA card during check-in, a printout of the dog-info page from a subscriber account or check-in letter from USDAA indicating the dog is permanently carded is presented or a complete temporary card waiting for a CMJ is presented. Check-in is required by USDAA. Check your confirmation letter for updates. **First class will begin promptly at 8:30 am each day.**

## MEASURING IN

The handler of a dog entered in Team/PVP that measures up must notify the secretary at check-in. Should the change in height make the dog ineligible for that team, the secretary will make every attempt to form complete teams from the dogs available. The dog measured up must jump at the higher height in order for the team/pair to earn a qualifying score. If the dog runs FEO at the lower height, the team/pair may not qualify, but the partners may earn placements, top ten points and Lifetime Achievement Qs in the individual classes.

All dogs must be measured prior to check-in unless: the dog is jumping 26" (22" in Performance), a copy of the permanent height card is submitted with entry or the permanent height card is presented at check-in, a printout of the dog-info page from a subscriber account or check-in letter from USDAA indicating the dog is permanently carded is presented or a complete temporary card waiting for a CMJ is presented.

## 2009 DOG AGILITY MASTERS® TEAM

*Description:* This tournament series is open to all competitors with any dog, regardless of competition level (i.e., starters, advanced and masters). A team may be comprised of handlers with dogs from any two height classes (e.g., 12"/26", 16"/26", 22"/22", etc). Each individual on a three-dog/three-handler team competes in four classes of competition - standard agility, snooker, jumpers and gamblers choice. Top teams as set forth herein compete in a fifth and final class - the three-dog team relay to establish placements for prizes and awards.

Each of the five classes will be conducted pursuant to USDAA Rules & Regulations, except that select performance requirements are subject to judge's discretion. The following differences are specifically noted:

- The performance requirements of the standard agility and relay classes as specified in Chapters 3 & 6 shall exclude the table (other than as a finish or relay exchange point) and may omit one contact obstacle in the course design at judge's discretion. When the table is used as a finish or relay exchange point, no position or time requirement shall be imposed.
- The performance requirements of the snooker, gamblers and jumpers classes shall generally follow the requirements of Chapter 6 of USDAA Rules & Regulations, except that:
  1. The jumpers class shall include weave poles and may omit one or more spread hurdles.
  2. The gamblers class may include or omit rules normally applied for point assignments, time allocations and joker requirements.
  3. The snooker class course configuration and course components may be at the judge's discretion.

The foregoing variances are subject to the review and approval of the tournament course reviewer and other provisions set forth herein.

*Scoring:* Masters scoring rules shall apply for the determination of faults in all classes. Time-plus-faults scoring method shall be utilized in the standard, jumpers and team relay classes (i.e., no standard course time is employed), with the following special values assigned for infractions:

|  |                              |
|--|------------------------------|
| Each Refusal   | 2 fault points               |
| Three refusals per dog or wrong course                 | 1/3 of the Class Point Value |
| Omission of a team member in relay (see special rules) | 200 Fault Points             |

The resulting scores on a time-plus-faults basis shall be deducted from the standard point-basis for each class as set forth under "Special Rules" in order to calculate points earned by each team in a given class. In no case shall the team score for a single class be

less than zero. These points shall be added to points earned in the gamblers and snooker classes, after adjustment as set forth below, to determine each team's final score. Team ranking and placements shall be on the basis of cumulative scores through the five classes of competition.

*Special Rules can be found at [www.usdaa.com](http://www.usdaa.com).*

**Qualification:** A qualifying score shall be awarded to competitors who compete in all five classes and whose team scores are within 25% of the average of the total points earned by the top three teams after the fifth and final class. In the event fewer than five (5) teams are entered, the minimum qualifying score will be calculated using only the top score after all 5 classes.

All competitors being entered on a team at the World Championships must be qualified through a local or regional qualifying event. Where a competitor has qualifying scores in both Championship and Performance Program tournaments, a competitor is eligible to enter the Performance Program tournaments at a regional, national, and/or world championship event only if the collective number of qualifications in the Performance Program tournaments for the season are greater in number than the number earned in Championship Program tournaments as of the closing date of the event to be entered.

**Awards:** Prizes and awards will be made based upon overall team scores after the five rounds. USDAA will provide "Gold", "Silver" & "Bronze" medals at local qualifying events for the best overall teams. At Regional Championship events in the United States they will provide a plaque for each member of the first place team overall. Each member of a qualifying team will receive a lapel pin in recognition of their qualification. Placement ribbons or rosettes may be awarded at the discretion of the host group.

## 2009 PERFORMANCE VERSATILITY PAIRS<sup>SM</sup> TOURNAMENT

**Description:** This tournament series is open to all competitors with any dog, regardless of competition level (i.e., starters, advanced and masters). A Pair or "team" may be comprised of dogs from any two height classes (e.g., 8"/12, 16"/16", 8"/22", 16"/22", 22"/22", etc). Each individual on a team competes in four classes of competition - standard, snooker, jumpers and gamblers choice. Top teams as set forth herein compete in a fifth and final class - the pairs relay, to establish placements for prizes and awards.

Each of the five classes will be conducted pursuant to USDAA Rules & Regulations, except that select performance requirements are subject to judge's discretion. The following differences are specifically noted:

- The performance requirements of the standard agility and relay classes as specified in Chapters 3 & 6 and modified by Chapter 7 shall exclude the table (other than as a finish or relay exchange point) and may omit one contact obstacle in the course design at judge's discretion. When the table is used as a finish or relay exchange point, no position or time requirement shall be imposed.
- The performance requirements of the snooker, gamblers and jumpers classes shall generally follow the requirements of Chapter 6 of USDAA Rules & Regulations, except that:
  1. The jumpers class shall include the weave poles.
  2. The gamblers class may include or omit rules normally applied for point assignments, time allocations and joker requirements.
  3. The snooker class course configuration and course components may be at the judge's discretion.

The foregoing variances are subject to the review and approval of the tournament course reviewer and other provisions set forth herein.

**Scoring:** Masters scoring rules shall apply for the determination of faults in all classes. Time-plus-faults scoring method shall be utilized in the standard, jumpers and relay classes (i.e., no standard course time is employed), with the following special values assigned for infractions:

|  |                              |
|--|------------------------------|
| Each Refusal   | 2 fault points               |
| Three refusals per dog or wrong course                 | 1/2 of the Class Point Value |
| Omission of a team member in relay (see special rules) | 200 fault points             |

The resulting scores on a time-plus-faults basis shall be deducted from the standard point-basis for each class as set forth under "Special Rules" in order to calculate points earned by each pair in a given class. In no case shall the score for a single class be less than zero. These points shall be added to points earned in the gamblers and snooker classes, after adjustment as set forth below, to determine each pair's final score. Pair ranking and placements shall be on the basis of cumulative scores through the five classes of competition.

*Special Rules can be found at [www.usdaa.com](http://www.usdaa.com).*

**Qualification:** A qualifying score shall be awarded to competitors who compete in all five classes and whose team scores are within 25% of the average of the total points earned by the top three teams after the fifth and final class. In the event fewer than three (3) pairs are entered, the minimum qualifying score shall be calculated using the top score after all 5 classes. Additionally, should there be only one pair entered, a qualifying score must be 2/3 of the minimum qualifying score as determined for Team at the event.

All competitors entered on a team at the World Championships must be qualified through a local or regional qualifying event. Where a competitor has qualifying scores in both Championship and Performance Program tournaments, a competitor is eligible to enter the

Performance Program tournaments at a regional, national, and/or world championship event only if the collective number of qualifications in the Performance Program tournaments for the season are greater in number than the number earned in Championship Program tournaments as of the closing date of the event to be entered.

*Awards:* Prizes and awards will be made based upon overall scores after the five rounds. USDAA will provide “Gold”, “Silver” & “Bronze” medals at local qualifying events for the best overall pairs. At Regional Championship events held in the United States USDAA will provide a plaque for each member of the first place p overall. Each member of a qualifying pair will receive a lapel pin in recognition of their qualification. Placement ribbons or rosettes may be awarded at the discretion of the host group.

## **Team and Performance Versatility Pairs Draws, Substitutions & Team Names**

- **All Team and PVP pairs must be complete at the time of entry for the entry to be considered valid. No draws will be done for Team or PVP events. If you need assistance finding a team or pair partner, contact the event secretary.**
- **The organizing committee reserves the right to determine the appropriateness of team/pairs names.**
- **A person may enter more than one dog in either tournament; however, no dog may be entered by more than one person.**
- **No dogs may be substituted on a team after the first class begins on Saturday.**

## **2009 Grand Prix of Dog Agility® World Championships & Performance National Standard<sup>SM</sup> - Local Qualifiers**

These tournaments are open to all competitors regardless of titles earned or skill level. Both are a single-round tournament featuring the sport in its basic form. The course includes obstacles as set forth in Chapter 3 of USDAA Rules and Regulations for standard agility, except that no table obstacle shall be used. Standard scoring shall be applied.

Competitors must have a ZERO fault round to earn a qualifying score for which qualifying ribbons are presented. One qualifying score is required for entry in Round 1 of a Regional Championships. Additionally, the first place competitor in each height class who has earned a qualifying score shall be eligible to enter the final round of a Type 1 Regional Championship without regard to their score in the first round. Such eligibility shall be documented through a “bye” voucher. A competitor may earn more than one voucher, and the voucher is non-transferable, can be used only once and must be submitted with the competitor’s entry form for a Type 1 Regional Championship. See complete rules and regulations for Regional Championships, which are hereby incorporated by reference.

**SPECIAL NOTES:** When a local qualifier is held in conjunction with an agility test where all levels of titling are NOT being offered, ‘bye’ vouchers will not be awarded. (e.g. Starters/Advanced only, Advanced/Masters only, Masters only – **Tournament Only shows do not fall into this category**) Competitors with a qualifying score placing first in a jump height shall be named Regional Champion and earn a bye into the World Championship semifinals. Additionally, competitors at a Regional Championship with a qualifying score in Round 2 in the top 50% in each height class shall earn a bye into the semifinals at the Cynosport World Games. If at a regional championship a bye is earned by a competitor/dog team who has already earned a bye in that jump height, the bye is forfeited.

The rules may be found on the USDAA web site—General Information—Forms and Documents Library, or may be requested in writing by US mail from the USDAA office. A competitor must have two qualifications from local qualifiers, one of which may be from the first round of a Regional Championship, in order to qualify for entry to the world championship quarterfinals; however, where a competitor may choose to compete in both Grand Prix and Performance National Standard qualifiers during the current tournament season, the competitor is only eligible to compete in the championships of the tournament in which they have earned the most qualifications. Further, 2009 tournament rules stipulate that a competitor must compete all in Championship or all in Performance tournaments at Regional and National/World Championship events.

## **2010 IFCS WORLD AGILITY COMPETITION**

As the U.S. representative of IFCS, USDAA will be sending a team to Europe for the 2010 World Agility Competition. Please consider making a donation through the USDAA store at [www.usdaa.com](http://www.usdaa.com) Donations of \$50 or more receive benefits as listed in the store.

REGISTER YOUR DOG AT [WWW.USDAA.COM](http://WWW.USDAA.COM) AND SAVE! RECEIVE YOUR REGISTRATION NUMBER IMMEDIATELY AND YOUR HEIGHT CARD PRIOR TO THE SHOW!

- DOG REGISTRATION APPLICATION - \$20.00**
- JUNIOR HANDLER REGISTRATION APPLICATION - \$17.00**

Dogs must be registered with USDAA in order to compete in USDAA sanctioned events. A registration card and number with a "U" prefix will be issued to facilitate entry at USDAA events and tracking of show results in the regular classes.

Junior handlers (those 18 years of age and younger) and their dogs must be separately registered for participation in the USDAA's Junior Handler Program (UJHP). A registration number with a "J" prefix will be assigned for use in entering UJHP events. A dog competing in both programs (regular classes and UJHP) must be registered separately for each program, for which the total fee is \$37.00.

# GENERAL AGREEMENT MUST BE SIGNED FOR EACH ENTRY & CORRECT FEES ENCLOSED FOR VALID ENTRY GENERAL AGREEMENT

I (we) agree that the **RED HOT ROVERS** has the right to refuse this entry for cause, which the organizing committee alone shall deem to be sufficient. In consideration of the acceptance of this entry, of the holding of the event and of the opportunity to have the dog participate and/or to be judged, I (we) agree to hold the organizing committee, **RED HOT ROVERS**, United States Dog Agility Association, Inc., including their members, officers, directors, agents and employees, sponsors of the event, and owners of the premises upon which the event is held and their employees harmless from any claim for loss or injury that may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim. I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, appearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting there from, sustained by any person or persons, including myself (ourselves) or on account of damage to property arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents or any other persons.

I further acknowledge that I have read, understand and will abide by the Official Rules and Regulations of the United States Dog Agility Association, Inc. and the provisions for entry as set forth in the Agility Test Schedule of which this entry form is a part. ~~I acknowledge and represent that the information supplied by me herein is correct to the best of my~~

# NOTICE TO COMPETITORS

**USDAA Rules:** USDAA's official rules & regulations are hereby incorporated by reference, an electronic copy of which may be accessed online at [www.usdaa.com](http://www.usdaa.com). Competitors, through submission of entry, acknowledge that they are knowledgeable of USDAA rules and regulations including but not limited to the following rules regarding entry:

**All dogs must be registered with USDAA.** Registration may be made concurrently with your entry using the form provided in this test schedule. To obtain a registration number immediately for a reduced fee and a height card prior to the show, go online to [www.usdaa.com](http://www.usdaa.com) under General Information, Dog Registration.

**This test is open to all dogs at least 18 months** of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury, or illness that may affect the dog's ability to perform safely, or dogs showing aggression.

**No collars,** leads, food, toys, or other aids or devices are allowed on a course at any time. USDAA regulations forbid any and all training, choke, pinch, or shock collars on or around the course at any time.

**The Show Committee of an event may refuse the entry** of any competitor or dog for just cause should the Committee view that participation by competitor or dog would be prejudicial to the sport. However, any Committee so doing must notify the competitor in writing (with a copy to the USDAA office) in anticipation of or upon receipt of entry. The notice must include the reason for refusing the entry and a brief explanation of the basis for their decision. The burden of responsibility for appropriateness of such action rests solely with the host group and its Show Committee.

You alone are responsible for the behavior of your dogs and children. If your dogs or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, the Show Committee can ask you to leave the show site. In such case, we will not refund any fees.

**Returned checks do not constitute a valid entry.** There will be a \$20.00 service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check. Any fees not received within 30 days of notice result in cancellation of event results for all classes for the registration number(s) of delinquent entry/entries. No reinstatement of results is possible, and all awards must be returned within 10 days of notification, or the dog's registration may be suspended pending restitution. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is canceled without recourse by owner/handler.

**Running Order and Limits:** In the event of a large entry, fault limits may be established by the Show Committee. *This means that after receiving a certain number of faults, you may be asked to leave the ring without completing the course.*

**Refunds:** Refunds (less USDAA recording fees AND PAYPAL FEES if applicable) are given for bitches that come into season after the closing date. No refund for entries withdrawn after closing date, or if a dog or handler is dismissed from competition, regardless of the reason. No refund is given if the test cannot open or be completed due to riots, civil disturbances, fire, acts of god, public emergency, acts of a public enemy, or any other cause beyond the Show Committee's control. Entry overpayments of less than \$10 will be refunded only if requested in writing.

## **Media Release Disclaimer**

All Competitors through entry at this event waive any and all rights relative to video broadcast of this event. Competitors shall have the right to videotape portions of this event for their personal use only. No portion of this event may be videotaped for commercial or other purposes. All video, broadcast and telecast rights for this event are the exclusive property of United States Dog Agility Association, Inc.

Portions of this event may be taped for television. Through entry at this event, ALL COMPETITORS and HANDLERS HEREBY GRANT to USDAA and its representatives, agents and assigns, all rights and permission to use or appropriate their name and their dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission, or distribution in any format or media now known. All competitors and handlers hereby release USDAA and its representatives, agents, and assigns from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality, or any similar right.

**A white board will be set up at ringside to help fill in gaps in work assignments. Please check the board several times a day to see if you can help out.**
