Important Information for Exhibitors -- PLEASE READ!

Conditional, unsigned, incomplete, illegible, telephone, fax, e-mail or telegraph entries cannot be accepted. Entries not on official AKC forms, or photocopies of AKC forms without the agreement and rules on the reverse side of the official AKC entry form, are not acceptable. Returned checks do not constitute a valid entry.

Owners are responsible for errors on entry blanks, for entering the same dog twice, or for entering a dog in a class for which it is not eligible, regardless of who makes such errors. Dogs wrongly entered in a class may not be transferred to another class after closing.

Entries sent by express mailing services MUST have the delivery signature requirement waived; otherwise they may not be delivered on time. The secretary will not pick up entries being held for signature, and no entries will be considered as being received until they are delivered.

Please note the opening date of June 26, 2009; no entries will be accepted before that date. Entries for a maximum of ten (10) dogs are allowed in one envelope; envelopes containing entries for more than ten dogs will be considered invalid, and will be returned to the sender. No hand delivered entries can be accepted until 8:00 AM on June 27, 2009.

Entry fees will not be refunded in the event of errors or cancellation of entries after the published closing date, or in the event a dog is absent (other than as specified on page 2), disqualified, excused by the Veterinarian or Judge, or barred from competition by the Show Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

Confirmation of entry and schedule of judging time will be sent to the address on the official AKC entry form after the closing date; if not received at least seven days prior to the show, contact the Trial Secretary. **Acknowledgment of receipt of entries prior to closing will be provided if the exhibitor provides a valid e-mail address on the entry form, or includes a stamped, self-addressed postcard with entry. Please do not telephone the secretary to ask if your entry was received.**

Spokane Dog Training Club, Inc. assumes no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or spectators, or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site and no refund of any fees paid will be made.

All dogs must be on leash at all times except when in the ring or designated warm-up area.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

The safety of dogs is of primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Class Entry Information – PLEASE READ CAREFULLY, DON'T ENTER THE WRONG CLASS!

This information is provided as a courtesy to exhibitors. **Exhibitors are responsible for entering their dogs in the correct class(es).** If you are still unsure of what class to enter after reading this, please check with the Trial Secretary, who will be happy to help you!

Novice Agility Class, Novice Jumpers With Weaves Class and Novice FAST Class are divided into Divisions A and B. **Division A is for persons and dogs that have never acquired any AKC agility title (Standard, JWW or FAST).**

Novice Division B is for dogs that have acquired an AKC agility title(s), persons that have handled a dog to any AKC agility title, and agility judges. Dogs handled at the trial by someone other than the owner, co-owner, or member of owner's household must be entered in Novice B. Dogs eligible for Novice A may be entered in Novice B at the owner's discretion. A dog may continue to be shown in the Novice B class until it has acquired a qualifying score towards its Open title.

Novice Agility Preferred Class, Novice Jumpers With Weaves Preferred Class and Novice FAST Preferred Class are not divided into Divisions A and B. Handlers of all levels, judges, and dogs with AKC agility titles compete in the same class in Preferred.

Open Agility Class, Open Jumpers With Weaves Class and Open FAST class do NOT have A and B divisions. To enter any regular Open class (standard, JWW, or FAST) the dog must have acquired the corresponding Novice title, but not have not earned a qualifying score towards the corresponding Excellent title. To enter any Open Preferred class (standard, JWW, or FAST) the dog must have acquired the corresponding Novice Preferred title, but not have not earned a qualifying score towards the corresponding Excellent Preferred title

Agility Excellent Class, Excellent Jumpers With Weaves Class and Excellent FAST Class are divided into Divisions A and B. Division A is open to dogs that have acquired the corresponding Open title, but have not acquired a qualifying score towards the corresponding Master Excellent title. Division B is open only to dogs that have acquired the corresponding Excellent title, and dogs that have acquired the corresponding Master Excellent title. The same criteria apply to the Excellent Preferred classes.

The Standard agility classes, Jumpers With Weaves classes, and FAST classes are independent of one another (with the exception that dogs/handlers with any AKC agility title are not eligible for Novice A). Therefore a dog may be competing at different levels in standard, JWW, and FAST.

The regular and Preferred programs are also independent of one another; **all dogs must start in Novice in each program, regardless of any titles they may hold in the other program.** A dog may not be entered in both regular and Preferred classes during the same trial weekend.

MX and MXJ legs, MACH points, and MACH double qualifiers are earned only from the regular Excellent B and Excellent JWW B classes. Qualifying scores in the Excellent B Preferred and Excellent B JWW Preferred classes do not count toward MACH titles, but do count toward additional MXP and MJP titles, and Preferred double qualifiers count towards the PAX title.

Move-Up Information

Dogs may be moved up to a higher class at the request of the handler, as a result of completing an agility title at an earlier event, provided that the request is made to the Trial Secretary, in writing (e-mail is acceptable), by 6:00 PM on **Monday, August 17, 2009**. If a dog finishes a title during the trial, the handler may move up for the following days by filling out a move-up form (available at the event) and turning it in to the Trial Secretary within one hour of the end of judging for the day.

Height Divisions

The following jump height divisions shall be used in all trial classes:

Regular	Preferred	
8"	4"	For dogs 11 inches and under at the withers.
12"	8"	For dogs 14 inches and under at the withers.
16"	12"	For dogs 18 inches and under at the withers.
20"	16"	For dogs 22 inches and under at the withers.
24"	20"	For dogs over 22 inches at the withers.
26"	---	Dogs may be entered at this height at owner's discretion.

In the Regular classes, handlers may choose to run in a higher height division, but not in a division lower than their proper height division. In the Preferred classes, dogs may NOT run in a higher height division than that determined by their withers height. Dogs that measure into an incorrect height division in Preferred will be moved up or down as necessary. In the Regular classes, dogs will be moved up if they measure above the cutoff, but will not be moved down for any trials that have already closed.

Height Card Information (PLEASE READ CAREFULLY!)

AKC now requires that all dogs obtain a height card. **If your dog has a permanent or unexpired temporary height card, please include a photocopy of the card with your entry; if you are measured for a card at another trial after entering, please send a copy of your documentation to the Trial Secretary.** If you do not include a height card with entry, we will need to see your dog's height card at the trial, or your dog will need to be measured **before** running. **Joan Mullen is a Volunteer Measuring Official, so ALL dogs lacking a height card must be measured regardless of their jump height division.** Measuring information will be provided with confirmations, once we know how many dogs will need to be measured.

Awards

Rosettes will be awarded to 1st through 4th place in each height division in each Regular and each Preferred class.

First Place	Blue Rosette
Second Place	Red Rosette
Third Place	Yellow Rosette
Fourth Place	White Rosette

Dark green ribbons will be awarded to all dogs receiving qualifying scores. First place in each height division of each class will receive a dog toy, valued at \$1 to \$5.

Within each Standard Agility class, JWW class and FAST class, the dog earning the highest score will receive a Rosette, and a Certificate good for a \$10 discount on one entry to any Spokane Dog Training Club AKC agility trial in 2010 or 2011. In the case of tied scores, the dog with the fastest **yards per second** running time wins. There will be separate High in Class awards for the Preferred classes. There will not be High in Trial awards at these trials.

A title pin will be awarded to each dog completing a standard or JWW agility title (NA, NAP, OA, OAP, AX, AXP, MX, MXP, NAJ, NJP, OAJ, OJP, AXJ, AJP, MXJ, MJP, MACH, PAX) at either of these trials. A Rosette and jump bar will be awarded to any dog completing a MACH or PAX at either of these trials. A qualifying score is required for all awards. All awards must be claimed at the show; none will be mailed.

*** If you think that you may complete a MACH or PAX at these trials, please let the trial secretary know ahead of time! ***

Judging

Judging starts at 2:30 PM on Friday, and at 8:00 a.m. on both Saturday and Sunday. Judge's briefing and course walk-through will take place prior to that time.

On Friday, the first class will be Excellent FAST, followed by Excellent JWW and then Excellent Standard. Rings will run alternately.

On Saturday, standard classes and Novice FAST will be in Ring 1; JWW classes and Open and Excellent FAST will be in Ring 2. Class order will be determined after entries close, and posted in the Judging Schedule. Rings will run concurrently.

On Sunday, Ring 1 will start with standard classes, then FAST. Ring 2 will start with JWW, then FAST. Rings will run concurrently.

On Friday and Saturday, jump height divisions will be run Small to Tall. On Sunday, they will be run Tall to Small. Running order within divisions will be determined by random draw, except that multiple dogs handled by the same person will be separated wherever possible. Preferred Class dogs will generally run at the end of each height, except when it is necessary to separate dogs as above.

Site Information

These Agility Trials will be held outdoors on grass, ring size 100' by 100'. Two rings will be used, one for standard classes and one for JWW. Water and portable toilets are on site. There is some shade, but please be prepared to provide shade for your dogs. And of course, we know you will uphold the great reputation of agility exhibitors by cleaning up after your dogs!

Obstacles

Obstacles used will meet the specifications given in the current AKC regulations.

Refreshments

Coffee, water and lemonade will be available as a courtesy for exhibitors. We will not be providing lunch, except for trial workers. (Spokane County Health Department regulations do not permit us to sell food or accept donations for food.)
